

Please!!! No way, already you have allowed CLEAR CHANNEL to own most of San Diego's media (bill boards, radio, what else?) and I'm tired of seeing people get laid off as they consolodate jobs into one office in a distant city. They jocky program material around from one station to another, never know where Roger Hedgcock will be and if there control spreads to newspaper and TV cosoladation who knows what general media news lies we'll be brainwashed with....

Please NO MORE CROSS OWNERSHIP and/or INCREASE PERCENTAGE OF OWNERSHIP in any single area!

It was fine the way it was back in 1980's.....
